Kaylee McGrath's "Landscapes & Nature" On Display at Ocean County Library Barnegat Branch

BARNEGAT – The Ocean County Library Barnegat Branch is pleased to present “Red Rose Kay Photography & Multimedia: Landscapes and Nature Photography” by Shore-based photographer and artist Kaylee McGrath during the months of February and March.

The Branch's showcases display Kaylee's metal prints and acrylic photo blocks.

The Barnegat High School graduate began pursuing photography in her teens. While still attending high school, she entered the New Jersey Board of Education's Super Senior Program to study multimedia arts and business technology at Ocean County Vocational-Technical School's Brick Township campus, completing the courses in 2018.

Kaylee achieves modern imaging and traditional styles of portraiture using a full-frame mirrorless camera and mobile photography techniques. Her photography has been acclaimed as calming and therapeutic while providing an honest look at life and nature.

“To me, it doesn't matter if it's sunny out, or if there are clouds, fog, or rain,” Kaylee says. She avidly applies her talents to “landscapes, nature, full moons, sunsets, the ocean, bay, lakes, rivers, gardens, abandoned buildings and historic cemeteries.”

In addition to capturing coastal images from Monmouth County to Tuckerton, she has compiled evocative shots of historic structures and landscapes in Newport, Rhode Island, and villages in Ireland.

“Red Rose Kay Photography & Multimedia: Landscapes and Nature Photography” is free and open to the public during normal Branch operating hours. For more details, stop by the OCL Barnegat Branch, 112 Burr Street, visit www.theoceancountylibrary.org/events, or call (609) 698-3331.
